NEWS PRINT PAPER TO GO STILL HIGHER

International Company Will Add \$20 a Ton to Prices for 1917.

New York, Oct. 18.—News print paper for 1917 will be at least 50 per cent higher in price than it is today, according to an official of the International Paper Company.

Although the company has not yet taken a single contract for delivery next year and is not expected to announce its 1917 prices until November 1, the official stated that news print would be advanced at least 1 cent a pound to 3 1/4 cents a pound delivered. This increase is equivalent to 20 a ton over 1916 prices.

Inquiries for 1917 business are pouring in on the company, but before accepting any the company is waiting to see what conditions develop by the end of the month.

"What do you know about that—a MILD cigarette that satisfies!"

Chesterfields have done "the impossible"—they are MILD! Chesterfields do for your smoking what bacon and eggs do for your breakfast—they satisfy.

And yet Chesterfields are MILD—that's the point.

No other cigarette can give you this new enjoyment (satisfy yet mild) because no cigarette maker can copy the Chesterfield blend.

This blend is an entirely new combination of tobaccos and is undoubtedly the most important new thing in cigarette making in 20 years.
